Dead

All I want in life is to be happy,
happy
All I want in life is to be happy,
happy
All I want in life is to be happy,
happy
All I want in life is to be happy,
happy
It seems funny to me...
How fucked things can be...
Every time I get ahead...
I feel more dead.

Falling away From me

SAWTOOTH'S MAMMON MIX

Falling Away from Me

Hey, I'm feeling tired
My time, is gone today
You flirt with suicide
Sometimes, that's okay
Do what others say
I'm here, standing hollow
Falling away from me
Falling away from me

Day, is here fading
That's when, I would say
I flirt with suicide
Sometimes kill the pain
I can always say
It's gonna be better tomorrow
Falling away from me
Falling away from me

Beating me down
Beating me, beating me
Down, down
Into the ground

Screaming some sound
Beating me, beating me
Down, down
Into the ground

It's spinning round and round
(Falling away from me)
It's lost and can't be found
(Falling away from me)
It's spinning round and round
(Falling away from me)
Slow it down

Beating me down
Beating me, beating me
Down, down
Into the ground
Screaming some sound
Beating me, beating me
Down, down
Into the ground

Falling Away from Me

Twisting me, they won't go away
So I pray, go away
Life's falling away from me
It's falling away from me
Life's falling away from me
Fuck!
Beating me down
Beating me, beating me
Down, down
Into the ground
Screaming some sound
Beating me, beating me
Down, down
Into the ground

beating me down
Beating me, beating me (falling
away from me)
Down, down
Into the ground (falling away from
me)
Screaming some sound
Beating me, beating me (falling
away from me)
Down, down
Into the ground

Trash

How did it start? Well, I don't know
I just feel the craving
I see the flesh and it smells fresh
And it's just there for the taking

These little girls
They make me feel so goddamn
exhilarated
I fill them up, I can't give it up
The pain that I'm just erasing

I tell my lies and I despise every
second I'm with you
So I run away and you still stay
So what the fuck is with you?

Your feelings, I can't help but rape
them
I'm sorry, I don't feel the same
My heart inside is constantly
hating
I'm sorry, I just throw you away

I don't know why I'm so fucking cold
I don't know why it hurts me
All I wanna do is get with you
And make the pain go away

Why do I have a conscience?
All it does is fuck with me
Why do I have this torment?
All I wanna do is fuck it away

I tell my lies and I despise every
second I'm with you
So I run away and you still stay
So what the fuck is with you?

Your feelings, I can't help but rape
them
I'm sorry, I don't feel the same
My heart inside is constantly
hating
I'm sorry, I just throw you away

Trash

I tell my lies and I despise every
second I'm with you
I run away and you still stay
So what the fuck is with you?

Your feelings, I can't help but rape
them
I'm sorry, I don't feel the same
My heart inside is constantly
hating
I'm sorry, I just throw you away (I
hate)

just thrown you away
(I) just thrown you away
(I) just thrown you away
(I) just thrown you away

This shit right here is for you
All your faces I can see
You all think it's about me
I'm about to break, this is my fate
Am I still damned to a life
Of misery and hate?

You will never know
What I'd do for you
What you are
Help me through
I'd do it for you
I could have, never lived
If it wasn't, for you

Beg for Me

Everyone is looking at me
I can't get out of bed, there is evil
in my head
Everyone, just let me be
Because when I hit the stage, it is
gone and I am free

Goddamn, you say you'll get up
for me
You're the crowd, come on, give it
back to me
You won't beg for me, beg for me,
beg for me
Goddamn, you say you'll get up
with me
You're the crowd, come on, give it
back to me
You won't beg for me, be there for
me, beg for me

Tell me, how could this be?
I am going insane, and I could not

have my pain
Everyone, please let me be
Because when I hit the stage, it is
gone, and I am free

Goddamn, you say you'll get up
for me
You're the crowd, come on, give it
back to me
You won't beg for me, beg for me,
beg for me
Goddamn, you say you'll get up
with me
You're the crowd, come on, give it
back to me
You won't beg for me, be there for
me, beg for me

I feel the shame, I'm not insane
The things I feel now aren't the
same
Who gives a fuck if my life sucks?

Beg for Me

I just know one day I won't give up

You won't beg for me, beg for me,
beg for me

Everyone, just let me be

Be there for me

Everyone, just let me be

Be there for me

Everyone, just let me be

Be there for me

Goddamn, you say you'll get up
for me

Be there for me

You're the crowd, come on, give it
back to me

You won't beg for me, beg for me,
beg for me

Goddamn, you say you'll get up
with me

You're the crowd, come on, give it
back to me

You won't beg for me, be there for
me, beg for me

Goddamn, you say you'll get up
for me

You're the crowd, come on, give it
back to me

Make Me Bad

I am watching the rise
And fall of my salvation
There's so much shit around me
Such a lack of compassion

I thought it would be fun and
games
(It would be fun and games)
Instead it's all the same
(It's all the same)
I want something to do
Need to feel the sickness in you

I feel the reason
As it's leaving me
No, not again
It's quite deceiving
As I'm feeling
The flesh make me bad

All I do is look for you
And when I fix you needed to

Just to get some sort of attention
Attention

What does it mean to you?
(What does it mean to you?)
For me, it's something I just do
(I just do)
I want something
I need to feel the sickness in you

I feel the reason
As it's leaving me
No, not again
It's quite deceiving
As I'm feeling
The flesh make me bad

I feel the reason
As it's leaving me
No, not again
It's quite deceiving
As I'm feeling

Make Me Bad

The flesh make me bad

I feel the reason
As it's leaving me
No, not again
It's quite deceiving
As I'm feeling
The flesh make me bad (does it
make me bad?)

I feel the reason
As it's leaving me
No, not again (does it make me
bad?)
It's quite deceiving
As I'm feeling
The flesh make me bad

Wake Up

Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Each day more frightening.
All of us wanna die.
The pressure's tightening,
I don't even want to try.
Should I take all the stupid
bullshit.
What makes them think they can
get away with it.
I'm not happy.
I wish they just...

Wake the fuck up!
Wake the fuck up!
Wake the fuck up!

Wake the fuck up!

Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!

I can't take no more.
What are we fighting for?
You are my brothers.
Each one I would die for.
Please just let it go.
All the heads are blown.
Let's take the stage and remember
what we play for.

No more fighting!!
I swear I'm gonna leave.
Talking shit to spite me.
I wish we just.

Wake Up

Wake the fuck up!
Wake the fuck up!
Wake the fuck up!
Wake the fuck up!

I can't take no more.
What are we fighting for?
You are my brothers.
Each one I would die for.
Please just let it go.
All the heads are blown.
Let's take the stage and remember
what we play for.

I can't take no more.
What are we fighting for?
You are my brothers.
Each one I would die for.
Please just let it go.
All the heads are blown.
Let's take the stage and remember
what we play for.

Remember what we play for.
Remember what we play for.

Am I Going Crazy

Am I going crazy?
Come on and say in taste
Am I too lost to face it?
And what will it cost to escape?

Hey Daddy

Let me see (let me see)

All my

Life has been (taken)

Taken

This demon (haunts me)

Haunts me

They're waiting (help me)

Help me

You fuck me up, I'm gagged and
bound

You pick me up when I am down
I cannot live without them

I do not live without them

Hey, daddy (daddy)

They are

Taking me away

Putting

Things in me (my soul)

My soul

They're eating (help me)

Please help me

You fuck me up, I'm gagged and
bound

You pick me up when I am down

I cannot live without them

I do not live without them

They tell me this thing inside of me

Wants to get out

All it does is scream and shout

I'm trying not to let them out

They tell me to hurt myself

They tell me to hurt myself

They tell me to hurt myself

But I am not gonna listen

You fuck me up, I'm gagged and
bound

You pick me up when I am down

I cannot live without them

I do not live without them

Hey Daddy

You fuck me up, I'm gagged and
bound (hey, daddy)

You pick me up when I am down
(they are)

I cannot live without them (taking
me)

I do not live without them (this

Somebody Someone

I can't stand to let you win
I'm just watching you
And I don't know what to do
Feeling like a fool inside
Feeling all the love you hide
Thought you were my friend
Seems it never ends

I need somebody, someone
Can't somebody help me?
All I need is to be
Loved just for me

Giving you with this and that
Giving gave nothing back
It's all related to
All the things I do
Feeling like a fool inside
Seeing all the things you tried
I am nothing

I need somebody, someone
Can't somebody help me?
All I need is to be
Loved just for me

I look, I sign
I need someone
Inside to help me out
With what?
I'm trying, I'm crying, I'm prying
In a pile of shit
I'm dying, I'm dying
I'm dying

I need somebody (someone)
Somebody (somebody)
Someone
I need somebody (someone)
Somebody (somebody)
Someone

No Way

Lately, things won't go my way
Lately, everything is gray
It feels like something
It feels like nothing

So I came too far
To end up this way
Feeling like I'm God
Feeling there's no way

So I'm angry for today
Anger's the only thing I've
made
It feels like something
No, it's nothing

So I came too far
To end up this way
Feeling like I'm God
Feeling there's no way

To live this way
Hating, feeling, falling
To the place where people
haunt me
I can't help but keep from
falling
To the place where people
call me

I can't wait to give them
These feelings of hating
Keeping inside me for all to
take
Picking at me, they're ripping
at me
Ripping at me

So I came too far
To end up this way

No Way

Feeling like I'm God
Feeling there's no way

So I came too far
(To the place where people
haunt me) To end up this way
(I can't help but keep from
falling) Feeling like I'm God
(To the place where people
call me) Feeling there's no way

To live this way
Live this way

Let's Get This Party Started

A man is crying, takes me to a
certain place
Which I don't often find
I see a family walking, always
thinking
Of being somewhere else in time

So I fall face down in a rut
I can't seem to get out of
Please wake me, please give me
some of it back
The feelings I had

Sometimes I wish I could be strong
like you
It doesn't matter
Each time I wake, I'm somehow
feeling the truth
I can't handle

Let's get this party started
I'm sick of being you

You make me feel insane
We don't give to you
Let's get this party started
You make me feel insane
I want to be the one
To make myself sane

Time is ticking, it makes me feel
content
With what I have inside
Constant paranoia surrounds me
Everyone I see is out to get me

So I fall face down in a rut
I can't seem to get out of
Please wake me, please give me
some of it back
The feelings I had

Sometimes I wish I could be strong
like you

Let's Get This Party Started

It doesn't matter
Each time I wake, I'm somehow
feeling the truth
I can't handle

Let's get this party started
I'm sick of being you
You make me feel insane
We don't give to you

Let's get this party started
You make me feel insane
I want to be the one
To make myself sane

You make me feel insane
You make me feel insane
You make me feel insane
You make me feel insane
You make me feel insane
You make me feel insane

Sometimes I wish I could be strong
like you
It doesn't matter
Each time I wake, I'm somehow
feeling the truth
I can't handle

Let's get this party started
I'm sick of being you
You make me feel insane

You make me feel insane

KO\$N Life Is Peachy

Wish You Could Be Me

I am going insane, this shit is all
about pain
I cannot maintain as the shit ozzes
out of my brain
I wish you could be me, and then
this you would see
How tired I am and how she kept
the best of me

At least you could look at me while
you are raping me
You are taking my life and sellin' it
tee hee
Why should I complain? At least it
helps my pain
I am very cool now and it doesn't
blot my fame

I am going insane, this shit is all
about pain
I cannot maintain as the shit ozzes
out of my brain

I wish you could be me, and then
this you would see
How tired I am and how she kept
the best of me

At least you could look at me while
you're raping me
At least you could look at me while
you're raping me
You fucking pussy

Counting

I can't bare to face what's growing
in my head
Please get away from me
Take advantage of what I still
guess you do
One day you'll beg for me

So I'm saying nothing
Each day taking that much more
As I'm screaming all my pain
You will be there counting

You just see me as something you
throw around
You aren't there for me
Beaten down to the ground, yes it
always seems
You take more from me

So I'm saying nothing
Each day taking that much more
As I'm screaming all my pain
You will be there counting

It's funny how it gets started
They get their money grubbing
fingers on you
They get your money, and the girls,
and the fame
I only do it for the fun and for
games

It's funny how it gets started
They get their money grubbing
fingers on you
They get your money, and the girls,
and the fame

I only do it for the fun, that's my
game

So I'm saying nothing
Each day taking that much more
As I'm screaming all my pain
You will be there counting

So I'm saying nothing
Each day taking that much more
As I'm screaming all this pain
You will be there counting.

Dirty

Keep knocking
No one's there
Pouring down
Near be felt

I'm out here, by myself, all alone
Ready to blow my head off
I hurt so bad inside
I wish you could see the world
through my eyes
Each day is the same
I just wanna laugh again

Keep hoping
Nothing to spare
So my life
Isn't quite there
I feel like a whore
A dirty whore
Such a whore
Dirty

I'm out here, by myself, all alone
Ready to blow my head off
I hurt so bad inside
I wish you could see the world
through my eyes
Each day is the same
I just wanna laugh again
Just wanna laugh again

I'll take it
I'll take it
I will take it
Give it to me

You dirty little fuck
Dirty little fuck
You dirty little fuck
Dirty little fuck
You dirty little fuck
(I will take it)
Dirty little fuck
(I will take it)

Dirty

You dirty little fuck
(I will take it)

I wish you could see the world
