HOBBIES AND INTERESTS

Gym

I spend two hours a day, five times a week, at the gym. It's time I dedicate to myself, where I relax and enjoy working out.

● Soccer / Futsal

I've played football for my school team since I was six. Besides playing it, I've always had a great passion for watching and experiencing it. I recently quit football to start playing futsal. I enjoy team sports.

CREATIVE WORKS

2025 - CURRENT

● Design Studio in Social Media

I actively cultivate my social media presence as a graphic designer to maximize the reach of my work, using it as a dynamic digital portfolio. This platform allows me not only to reach a wider audience of clients and collaborators but also to directly and continuously showcase the evolution of my projects and my creative vision to the public.

SOCIAL AND POLITICAL ACTIVITIES

2023 - 2024 Pamplona

● Soccer refereeing

I demonstrated my leadership and responsibility skills by refereeing a series of soccer matches for children aged 9 to 11 with the San Ignacio Jesuit School team in Pamplona. This task allowed me to develop quick decision-making and effective group management skills in a dynamic environment.
